

**AMENDED  
JOB POSTING  
Engineer, Code Service  
UNCLASSIFIED APPOINTMENT  
(UNCLASSIFIED APPOINTMENT EXPIRES SEPTEMBER 30, 2017)**

As a result of a Civil Service Commission decision on April 17, 2013, the positions for Interim Appointment within the Sandy Recovery Division have been reallocated to the Unclassified Service. As such, all Interim Appointment job postings related to this division will be unclassified appointments.

**NOTE:** Candidates who previously applied for these positions and remain interested in Unclassified Appointments, need not reapply.

On Monday, October 29, 2012, Superstorm Sandy hit New Jersey, resulting in a level of damage never before experienced in this state. The Disaster Relief Appropriations Act (HR152) provided \$16 billion in funding to the Department of Housing and Urban Development (HUD) *Community Development Block Grant Disaster Recovery (CDBG-DR)* program; an initial allocation of \$1,829,520,000 was made to New Jersey. It is expected that there will be additional allocations of CDBG-DR to New Jersey by the HUD Secretary. The New Jersey Department of Community Affairs (DCA) will administer the CDBG-DR funds allocated to New Jersey to rebuild homes, businesses, and infrastructure impacted by Superstorm Sandy.

The DCA is seeking an Engineer, Code Service to serve in the Sandy Recovery Division. A new division is to begin operations immediately and expected to remain operational through September 30, 2017.
